

RED

RG-EH 7160

Electric Hedge Trimmer

A real help for cutting even the thickest hedges effortlessly. Quiet, safe and easy to handle. The drive system offers excellent cutting results and optimum protection against blocking. Counter-rotating double-bladed safety cutters made of laser-cut and precision milled steel. With a two-handed ON/OFF safety switch for safe and easy use. The rear handle can be swiveled through 90° and 180°. This enables easy working even in difficult conditions, e.g. "overhead" cutting of the hedge. The cuttings collector can be fitted to both sides for simple removal of the cuttings when cutting horizontally.

MECHANICAL CUTTER STOP

Features

- Cuttings collector can be fitted to both sides
- Additional switch for overhead work
- The rear handle can be swiveled through 90° and 180°
- Two-hand safety switch with mechanical cutter stop < 0.5 sec
- Counter-rotating double-bladed safety cutters made of laser-cut and precision milled steel
- Aluminium cover on cutters
- Bumper-guard with holder for wall hanging
- Sturdy bag for storage and transportation
