BG-KS 2040 Garden Shredder

Art.-No. 34.303.62

The high performance electric garden shredder hackles reliably down trees and hedges, branches and bushes. The funnel tube is protected by a rubber lamella to avoid throwing away the material to the top. The tilting placed knives prevent a block by a professional operation and they support an efficient move-in from the material and make a problem-free ejection possible.

Features

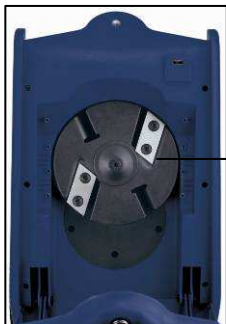

- Motor safety switch
- 2 pcs twin-sided knives made of special steel (1)
- Tilting tube with protection locking (2)
- Funnel tube with rubber lamella
- Robust mobile carriage
- tilted placed knives

Standard accessory

- Garden waste bag (3)
- Stopper (not illustrated)
