Cordless Impact Drill

This impact drill with all its quality features will be a welcome addition to any DIY enthusiast's tool kit.

A single-sleeve keyless chuck, auto-lock and quick-stop ensure easy tool changing.

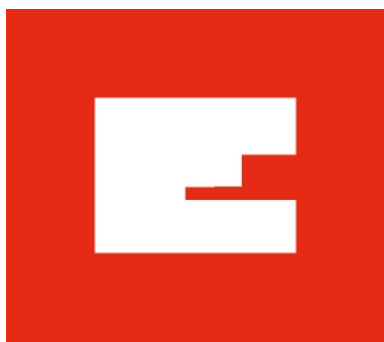

An excellent electronic system for gentle starting and high torque make all drilling and screwing work child's play. The impact drill function, which can be switched on allows drilling work also in brickwork.

By the use of nickel-metal hydride batteries the environment is saved because we don't use heavy metals.
