

Gets your garden in shape!

The convenient helper for getting even the densest hedges in shape. Silent, safe and easy to handle. Special drive system for powerful cutting performance and highly efficient blocking protection. **Equipped with counter-rotating double blades made of precision-sharpened special steel.**

ON/OFF (dead man's) safety switch and a large hand protection shield for safe operation. Supplied with a sturdy blade protection cover for storage and transport. **Long service life thanks to metal gears.** Optimized ergonomic design for fatigue-free working. Better than the competition's leading products with 3,200 cuts per minute. And the most light-weight model in its class.

ON/OFF dead man's safety switch
