

## Water Works E-HW 6036

## Art.-No.: 41.731.40 bar code: 4006825539202 Sales unit: 1 pc

Tap water is a scarce commodity, which is also becoming increasingly expensive. Those with access to an alternative water supply not only save cash in water charges, but are also largely independent of public supplies. The water works unit E-HW 6036 automatically conveys water with stable pressure from wells and cisterns. Amongst other numerous applications, it can be used to supply water for toilets, washing machines or simply to water the garden. The powerful pump is running silently, therefore it is very suitable for service around the house. The unit is powered by a sturdy asynchronous motor with thermal protection. The water works is supplied complete with pressure switch and pressure gauge.
