

HES 150T + WS 125/850 Kit

Electric Welding Machine + Angle Grinder

Art.-No. 15.441.05

Electric Welding Machine HES 150T

Features

- Thermal cut-out with control light (1)
- Colour coding for welding current regulation (2)
- Continuously adjustable welding current (3)
- Electrode holder (4)
- Earth terminal (5)
- Complete with welding accessories (6)
- With transport handle

Technical Data

- | | |
|------------------------|----------------|
| ■ Mains: | 230 V ~ 50 Hz |
| ■ Fuse: | 16 A |
| ■ Welding current: | 40- 100 A |
| ■ Weldable electrodes: | Ø 1.6 – 2.5 mm |
| ■ Idle speed: | 48 V |
| ■ Weight: | 14.0 kg |

Angle Grinder WS 125/850

Features

- Spindle lock (7)
- Metal gear head (8)
- Disc protection (9)
- Additional handle (10)
- Flange key
- Delivery without cutting disc

Technical Data

- | | |
|--------------------|--------------------------|
| ■ Mains: | 230 V ~ 50 Hz |
| ■ Power: | 860 W |
| ■ Idle speed: | 11,000 min ⁻¹ |
| ■ Disc diameter: | 125 mm |
| ■ Spindle winding: | M14 |
| ■ Weight: | 2.3 kg |

Electric Welding Machine + Angle Grinder Kit

- | | |
|---------------------------|--------------------|
| ■ Net weight Kit: | 16.3 kg |
| ■ Gross weight Kit: | 17.4 kg |
| ■ Packing dimensions Kit: | 525 x 215 x 350 mm |
| ■ Bar code: | 4006825 557336 |
| ■ Sales unit: | 1 pc |
