

Einhell®

NEW GENERATION

The manageable solution for the problem zones in the garden!

For cutting grass, also in difficult areas, like along fences and walls, between and under bushes – everywhere the lawn mower cannot be used any longer or where the grass is already too high. With its strong motor of 350 watts the lawn trimmer is a practical helper to keep the garden tidy. The rotating nylon thread cuts the grass as neat as the knife of the lawn mower.

The engine head can be around turned 180° and is therefore suitable to comfortably cut at vertical surfaces.

The tapping mechanism is particularly comfortable to the thread adjusting. The trimmer is enormously space saving.

Tapping mechanism to thread adjusting

Turnable motor head

RT 325 Electric Grass Trimmer

As special accessory available: Substitute thread spool:

Art.-No.: 34.050.15
Ident-No.: 01015
Bar-Code: 4006825510218

Logistic Informations:

Type:	RT 325	Sales unit:	3 pcs
Art.-No.:	34.013.80	20`:`:	1440 pcs
Ident-No.:	01014	40`:`:	2880 pcs
Bar Code:	4006825508970	40``HC:	3360 pcs
Packing:	585x220x150 mm	Weight:	2,1 kg (gross)

The manageable solution for the problem zones in the garden!

Features:

- Dismountable into two parts
- Engine head by changing turnable to 180 °
- Space saving storage
- Double line cutting feature
- Thread feed just by pressing against ground
- Sturdy universal motor

Technical Data:

- Voltage: 230V~50 Hz
- Power: 350 Watt
- Cutting circle: 250 mm
- No load speed: 12.000 min⁻¹
- Nylon thread: 1,2 mm
- Thread length: 6 m
