GE-EL 3000 E

Electric Leaf Vacuum

Art.-Nr.: 3433225

Ident-Nr.: 11023

The GE-EL 3000 E electric blower vac is a high-quality, extremely powerful and reliable tool for hobby gardeners who have the highest requirements when cleaning their grounds and gardens. Voluminous soft material such as foliage and grass is reduced to around 1/12th of its original size by this blower vac with its robust and highly durable impeller and shredder made of aluminium. With the easy-to-reach selector switch you can choose between blowing and vacuuming without having to make any conversions. Thanks to the electronic speed control, the suction and blowing power can be precisely dosed according to requirements.

Features

- On/Off switch
- Selector switch for vacuum/blower
- Large 2-piece suction tube
- Height-adjustable guide rollers
- Electronic speed control
- Adjustable additional handle
- Cleaning flap with safety switch
- Aluminum blower impeller
- Debris bag with window for level inspection
- Adjustable carrying strap
