TE-RS 40 E

Rotating Sander
Art.-No.: 4462000
Ident-No.: 11012

The rotating sander TE-RS 40 E is a solid, powerful tool which provides good service to DIY enthusiasts on sanding jobs involving wood, plastic and metal. Thanks to the electronic speed control, the sanding power can be well adapted and is perfect suited for high sanding performance and fine-tuning tasks.

Features

- solid and powerful rotating sander for most diverse applications
- double action (rotation + eccentricity) causes high sanding performance
- perfectly suited for high abrasive sanding and fine-tuning
- speed-electronics for material-compatible operation
- easy and quick change of sanding papers thanks to micro-velcro system
- low vibrations caused by solid aluminium balancing within the housing
- ergonomic grip areas with softgrip
- removeable additional handle for well-balanced handling
- with active dust-extraction for a clean working area
- filterbox collects sanding dust
- maximum collection can be achieved by connecting a vacuum cleaner
- delivery in convenient case

Technical data

- | | |
|--------------------------|-----------------------------------|
| • Mains supply | 230 V 50 Hz |
| • Power | 400 W |
| • Oscillating speed | 12,000 – 24,000 min ⁻¹ |
| • Oscillating circuit | 2.5 mm |
| • Backing pad diameter | 125 mm |
| • Sanding paper diameter | 125 mm |
| • Idle speed | 6,000 – 12,000 min ⁻¹ |

Logistic data

- | | |
|----------------------|--------------------|
| • Product weight | 2 kg |
| • Gross weight | 2.3 kg |
| • Packing dimensions | 435 x 142 x 190 mm |
| • Bar code | 4006825 590661 |
| • Sales unit | 4 pcs |
