

Einhell

Power X-Change 18 V 5,2 Ah Lithium-Ion system battery

Art.-No. 45.113.57

System battery for all products of the Power X-Change Family.

Features

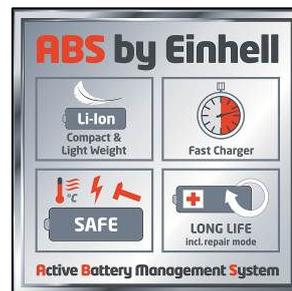

- 7-in-1 ABS: Active Battery Management System from Einhell
- 3-step LED battery control
- Modern technology: Microprocessor controls permanently key parameters like temperature, voltage
- Deeply discharged battery will be charged in repair mode and thus long life is guaranteed
- High quality Li-Ion battery cells provides nearly no self-discharge
- Charging anytime
- Rubber-coated housing makes sure a high impact protection and a high grip
- Recessed grip ensures high ergonomic handling for the removal
- With four times battery capacity, so the battery is high-powered for ambitious working and longer running time

Technical Data

- Battery type: Li-Ion
- Voltage supply: 18 Volt d. c.
- Battery capacity: 5.200 mAh
- Product weight: 0.6 kg

Logistic Data

- Net weight: 0.6 kg
- Gross weight: 0.7 kg
- Packing dimension: 127 x 81 x 74 mm
- Bar code: 4006825 598865
- Sales unit: 12 pcs

As special accessory available:

Power X-Charger
System Fast Charger

Art.-No.: 45.120.11
