

TE-OS 2520 E

Orbital Sander

Item No.: 4460620

Ident No.: 11012

Bar Code: 4006825592498

The TE-OS 2520 E orbital grinder/sander is a high-quality, powerful tool which is the ideal choice for grinding/sanding large surfaces of wood, plastic or metal. Electronic speed control ensures that the power can be adjusted exactly to the surface-finishing requirements of the particular material. The clamping mechanism and micro velcro fastening on the tool give the user a free choice of abrasives which can be changed quickly and easily.

Features

- Rugged, powerful orbital grinder/sander
- Perfect for grinding/sanding on large surfaces
- Tool can be set to the ideal speed for the work material
- Easy and quick abrasive paper change using micro velcro fastening
- Also suitable for abrasive paper without velcro
- Special vibration dampers keep vibration to a minimum
- Rugged, durable aluminum base plate
- Ergonomic soft grip surfaces
- Active dust extraction keeps the work area clean
- Filter box collects dust from grinding/sanding
- Vacuum cleaner can be attached to keep the work area really clean
- Incl. 1 abrasive sheet of paper so you can get started right away
- Supplied in practical case
