### TE-HA 2000 E

#### Hot Air Gun

Item No.: 4520195

Ident No.: 11014

Bar Code: 4006825602678

Einhell Germany AG

The hot air gun TE-HA 2000 E is a high-quality and high performance tool for all do-it-yourself activities. Thanks to the freely adjustable temperature control with 9 settings via the large adjusting wheel and the control of the air rate with 3 settings via the simply operated switch, the hot air blower can be adjusted to the requirements of the respective task. For maximum safety during operation, this tool has a large support surface for a safe stand during stationary operation. The fast cooling of the hot metal parts during the nozzle change takes place quickly and simply via the practical additional cold setting. Delivery inclusive extensive nozzle accessories, such as a wide nozzle, a reflector nozzle, a heat nozzle and a reducer nozzle

### Features

- Large adjusting wheel for temperature control via 9 settings
- Switch with 3 settings for controlling the air rate
- Cold setting for fast cooling when changing nozzles
- Support surface for stationary use
- Incl. reducer nozzle, wide nozzle, reflector nozzle, heat nozzle
- Delivered in a convenient case

### Technical Data

- Power	2000 W
- Temperature at setting 1	50 °C
- Temperature at setting 2	50-550 °C
- Temperature at setting 3	50-550 °C
- Airflow rate at setting 1	250 L/min
- Airflow rate at setting 2	250 L/min
- Airflow rate at setting 3	500 L/min
- Mains supply	220-240 V   50 Hz

### Logistic Data

- Product weight	0.91
- Gross weight single packaging	2.15 kg
- Pieces per export carton	5 Pieces
- Gross weight export carton	11.5 kg
- Dimensions single packaging	355 x 280 x 110 mm
- Dimensions export carton	290 x 550 x 360 mm
- Container quantity (20"/40"/40"HC)	2300   4600   5300
