Paint/Mortar Mixer

Item No.: 4258555

Ident No.: 11014

Bar Code: 4006825602258

The paint-/mortar mixer TE-MX 1600-2 CE is a high-quality and powerful aide to stir and mix powdery construction materials. Its two-speed gear unit in a robust and durable metal aluminium housing converts the power of the 1,600 W motor either into a high torque or into high speed so that the required speed of mixing can be adjusted optimally to the consistency of the mixed material. The stirrer starts softly by soft start, and the inbuilt dynamic speed control enables the precise adjustment of the speed without speed reduction. Due to its big ergonomic handlebar, the mortar mixer always lays in the hand perfectly, and the 3 m long cable offers a sufficient radius to work at any time.

Features

- Dynamic speed control - no speed loss under load
