

GC-DP 5225 N

Dirt Water Pump

Item No.: 4170481

Ident No.: 11026

Bar Code: 4006825587227

The GC-DP 5225 N dirty water pump is a robust, powerful and reliable helper which provides the best service when pumping off dirty water from ponds, building pits, flooded basements and much more besides. With a rating of 520 W, the pump achieves a delivery rate of up to 10,000 liters of dirty water per hour. An infinitely variable float switch can be used to select continuous operation or a specific ON and OFF switching level. The extremely long-lasting pump housing made of corrosion-resistant stainless steel withstands even the highest stress.

Features

- Carrying handle
- Floating switch infinitely adjustable in height
- High-grade mechanical seal
- Stainless steel pump housing
- Cable rewind
- 90° angle with universal connection

Technical Data

| | |
|----------------------------------|-------------------|
| - Mains supply | 230 V 50 Hz |
| - Power | 520 W |
| - Max. delivery capacity | 10000 L/h |
| - Max. delivery height | 7 m |
| - Max. immersion depth | 5 m |
| - Max. water temperature | 35 °C |
| - Max. size of foreign particles | 25 mm |
| - Hose connection | 47,8mm (G11/2 IG) |
| - Power cord | 10 m H05RN-F |

Logistic Data

| | |
|--------------------------------------|--------------------|
| - Product weight | 4.14 kg |
| - Gross weight single packaging | 5.51 kg |
| - Dimensions single packaging | 221 x 182 x 400 mm |
| - Pieces per export carton | 4 Pieces |
| - Gross weight export carton | 22.3 kg |
| - Dimensions export carton | 460 x 380 x 395 mm |
| - Container quantity (20"/40"/40"HC) | 1680 3440 3880 |
