Rotary Hammer

Item No.: 4258440

Ident No.: 11054

Bar Code: 4006825537581

The RT-RH 32 is the flagship among Einhell rotary hammers. Experts swear by this powerful tool, which has proved itself in continuous duty on building, renovation and chiseling jobs. This powerhouse is equipped with three functions for universal use: hammer drilling, drilling and chiseling. Its SDS-Plus chuck enables drill bits and chisels to be changed quickly without tools, and together with the powerful 1250 W motor it develops a huge hammer force of 3.5 joules for coping with every tough assignment. At the same time a special bearing arrangement in the handle protects the user from vibrations.
