GE-SP 4390 LL ECO

Clear Water Pump

Item No.: 4170715

Ident No.: 11016

Bar Code: 4006825622256

The Einhell GE-SP 4390 LL ECO clear water pump is designed with eco-friendliness in mind. Thanks to Eco Power it pumps more water for lower power consumption. With 430 W of power the pump has an immersion depth of up to seven meters and can pump clear water upwards to a maximum of eight meters. It works in shallow water as low as 1 millimeter, so all that is left can be wiped dry. The float switch is infinitely adjustable. The pump housing made of impact-resistant plastic and the high-grade mechanical seal ensure a long service life. The pump features an ergonomic carry-handle, cable rewind, integrated suspension eyelet, non-return valve and universal hose connection. The hose connection is easily accessible on the top of the pump.

Features

- Low-level suction down to 1 mm residual water level
- Infinitely variable floating switch
- Non-return valve
- Ergonomic carrying handle
- High-quality mechanical seal for a long service life
- Easily reachable hose connection on the pump's top side
- Integrated suspension eyelet
- Pump housing made of impact-resistant plastic
- Incl. universal connector
- ECO Power: higher delivery rate, lower power consumption

Technical Data

- Mains supply	230 V 50 Hz
- Power	430 W
- Max. delivery capacity	9000 L/h
- Max. delivery height	8 m
- Max. immersion depth	7 m
- Max. water temperature	35 °C
- Hose connection	47,8mm (G11/2 AG)
- Power cord	10 m H05RN-F

Logistic Data

- Product weight	4.5 kg
- Gross weight single packaging	6.06 kg
- Dimensions single packaging	250 x 230 x 350 mm
- Pieces per export carton	2 Pieces
- Gross weight export carton	14.5 kg
- Dimensions Export Carton	520 x 280 x 360 mm
- Container quantity (20"/40"/40"HC)	2560 1050 2100
