

## Cooling-Warming box KWB 18

Art.-No.: **20.484.00**

bar code: 4006825202342

Sales unit: 1 pc

The cooling – warming box KWB 18 keeps food cold or warm. Ideal for automobiles, offices, construction camps and camping. This box can be charged with 12 V adaptor cable supplied either with the cigarette lighter adaptor of the car or the EINHELL energy station (operational period = capacity of the power pack EGS / current consumption of KWB 18).

### Features:

- 18 l cooling volume (1), height for 1,5 l bottles
- Carrying strap handle (2)
- 2 locking clips (3)
- 12 V adaptor cable approx. 2,6 m long (4)
- Storage compartment for cable (5)
- LED indicator (6)
- Interior aluminium container
- Fan for heat distribution
- Cool air ventilation slits (7)
- Particularly strong FCKW free insulation

### Technical data:

- |                         |                          |
|-------------------------|--------------------------|
| - Volume:               | 18 l                     |
| - Operat. Voltage:      | 12 V – DC                |
| - Power:                | 48 watts                 |
| - Current consumption:  | 4 A                      |
| - Indoor cooling down:  | max. 15 °C within 1 h    |
| - Cooling temp. up to:  | 9°C                      |
| - Warming capac. up to: | 55°C                     |
| - System:               | wear-free thermoelectric |
| - Weight:               | approx. 5,1 kg           |
| - Pack. dimensions:     | 41 x 30 x 43 cm          |
