Table Saw

**TC-TS 2025/2 eco**

**Item No.: 4340530**

Ident No.: 11037

Bar Code: 4006825611328

The Einhell TC-TS 2025/2 eco bench-type circular saw is designed for exact sawing work on workpieces made from wood, coated panels, plastics & boards. The height and angle of the saw blade can be quickly adjusted thanks to the 2-in-1 adjuster. For clean work results there is a parallel stop with eccentric clamp and an angle stop for mitre cuts. The base frame provides a comfortable working height and a steady standing position. For optimum cuts it is equipped with a carbide-tipped precision saw blade. The push stick with holder on the housing ensures safe operation, while the housing with chip extractor connection is for keeping the workplace clean. There is a holder on the bench-type circular saw for holding the included tools.

## Features & Benefits

- 2 in 1 saw blade adjustment (height and angle 0°-45°)
- Parallel stop with eccentric clamp
- Angle stop for miter cuts (+/- 45°)
- Housing with chip extractor connection for a clean workplace
- Blade guard with chip extraction
- Base frame for stability and a comfortable working height
- Facility for winding up the power cable
- Holder for the supplied tool for blade changes
- Carbide-tipped precision blade for the best cuts
- Push stick (with holder on the device) for safe working

## Technical Data

- |                                |                        |
|--------------------------------|------------------------|
| - Mains supply                 | 230-240 V   50 Hz      |
| - Power                        | 1800 W                 |
| - Max. power (S6   S6%)        | 2000 W   40 %          |
| - Idle speed                   | 4250 min <sup>-1</sup> |
| - Saw blade                    | Ø254 x ø30 mm          |
| - Number of saw teeth          | 24 Pieces              |
| - Swiveling range of saw blade | 45 °                   |
| - Max. cutting height at 45°   | 53 mm                  |
| - Max. cutting height at 90°   | 80 mm                  |
| - Height adjustment continuous | 0-80 mm                |
| - Diameter of suction adapter  | 36 mm                  |
| - Working height               | 870 mm                 |
| - Size of working table        | 638 x 490 mm           |
