Electric Heater

EH 3000

Item No.: 2338260

Ident No.: 11021

Bar Code: 4006825548242

The EH 3000 Electric Heater is an upright unit with specially designed metal heating elements. It is ideally suited to heating up workshops, small storage rooms, pole marquees and for drying out individual rooms quickly. The required room temperature can be easily set using two heat settings (1500 W/3000 W) and the infinitely adjustable thermostat.

This product is only suitable for well insulated spaces or occasional use.

Features & Benefits

- Specially designed metal heating elements
- Switch with 2 heat settings (1500 W/3000 W) and fan cooling mode
- Infinitely adjustable thermostat
- Fan continues to run in order to cool the heating elements
- Powerful axial fan with aluminum impeller
- Carry handle
- Splash guard
- Overheating guard
- Air discharge grid made of powder coated wire mesh
- High-quality rubber mains cable
