Electric Heater

EH 5000

Item No.: 2338266

Ident No.: 11011

Bar Code: 4006825577532

The EH 5000 Electric Heater is a very powerful upright unit with specially designed metal heating elements. It is ideally suited to heating up workshops, small storage rooms, pole marquees and for drying out individual rooms quickly. The required room temperature can be easily set using two heat settings (2500 W/5000 W) and the infinitely adjustable thermostat.

This product is only suitable for well insulated spaces or occasional use.

Features & Benefits

- Specially designed metal heating elements
- Switch with 2 heat settings (2,500 W/5,000 W) + fan cooling mode
- Infinitely adjustable thermostat
- Fan continues to run in order to cool the heating elements
- Powerful axial fan with aluminum impeller
- Sturdy feet with built-in carry handle
- Splash guard
- Overheating guard
- Rear wall of housing galvanized
- Outlet grille made from powder-coated wire mesh
- 400 V / 16 A CEE integrated connector
