Electric Heater

EH 2000

Item No.: 2338280

Ident No.: 11014

Bar Code: 4006825606508

The EH 2000 Electric Heater is an upright unit with specially designed metal heating elements. It is ideally suited to heating up workshops, small storage rooms, pole marquees and for drying out individual rooms quickly. The required room temperature can be easily set using three heat settings (650 W/1300 W/2000 W) and the infinitely adjustable thermostat.

This product is only suitable for well insulated spaces or occasional use.

Features & Benefits

- Specially designed metal heating elements
- Switch with 3 heat settings (650 W/1300 W/2000 W)
- Infinitely adjustable thermostat
- Powerful axial fan with aluminum impeller
- Carry handle
- Splash guard
- Overheating guard
- Air discharge grid made of powder coated wire mesh
- High-quality rubber mains cable
