

Heating Fan

ETH 2000

Item No.: 2338202

Ident No.: 11026

Bar Code: 4006825612165

The ETH 2000 fan heater from Einhell is a compact and mobile source of heat for on-call use. An output of 2000 W and compact dimensions of 29 x 25 x 25 cm make this fan heater an ideal standby appliance that is easy to store in minimum space. Controlling the output from the ETH 2000 is easy thanks to two heat settings and the infinitely adjustable thermostat. On the other hand, a safety cut-out provides protection against overheating and in case the appliance should topple. Transporting this fan heater is easy thanks to the carry-handle.

This product is only suitable for well insulated spaces or occasional use.

Features & Benefits

- Switch with 2 heat settings
- Continuously adjustable thermostat
- Safety cut-off if the heater tips over
- Safety cut-off if the heater overheats
- Carrying handle
