

The BCD 12/2 Li cordless drill/screwdriver kit is a flexible and powerful helper for all screwdriving and drilling jobs in the home, workshop or garage. Featuring a durable 2-speed drive unit and 22 torque settings, it is equal to all standard challenges – thanks also to its forward/reverse rotation facility. The quick-change chuck (10mm/double-sleeve) enables the required accessories to be fitted quickly and easily. Another practical feature is the quick stop function for bringing the cordless drill driver to an immediate stop, so that each work step can be performed quickly and smoothly. The energy required is supplied by the inclusive 12V/1,500 mAh lithium-ion rechargeable battery.
