Power Charger 12V

Item No.: 4512078

Ident No.: 11018

Bar Code: 4006825635621

The Einhell 12V charger features the very latest technology for ensuring batteries are always quickly ready for use. Charging cycles that adapt to the specific situation prolong the life of the battery. Intelligent charging management ensures maximum safety. The 12V charger from Einhell features permanent battery monitoring for an optimum charging process. Up-to-the-minute information on the current charge status is provided by the 5-stage charging system. Integrated eyelets allow user-friendly wall mounting.

Features & Benefits

- Longer battery life thanks to situation-specific charging cycles
- Maximum safety due to intelligent charge management
- Permanent battery monitoring for optimum charging
- Up-to-the-moment information thanks to 5-stage charging system
- User-friendly wall-mounting thanks to integr. suspension eyelets

Technical Data

- | | |
|------------------|-----------------------------|
| - Mains Supply | 220 - 240V ~ 50 - 60Hz, 50W |
| - Output Voltage | 12V d.c. |
| - Output Current | 3A |

Logistic Data

- | | |
|--------------------------------------|----------------------|
| - Product weight | 0.37 kg |
| - Gross weight single packaging | 0.51 kg |
| - Dimensions single packaging | 215 x 88 x 117 mm |
| - Pieces per export carton | 6 Pieces |
| - Gross weight export carton | 4.5 kg |
| - Dimensions export carton | 275 x 440 x 280 mm |
| - Container quantity (20"/40"/40"HC) | 4956 10272 12042 |
