Battery

12V 2,0Ah Li-Battery

Item No.: 4511472

Ident No.: 11017

Bar Code: 4006825634655

Considerable importance was given to ease of use and long life when the Einhell 12V 2.0Ah Li battery was designed. Einhell's proactive battery management ensures maximum safety. The batteries have a much longer service life, because the charging cycles are adjusted to the specific situation. The self-discharge effect is prevented by high-quality lithium-ion cells. With a capacity of 2,000 mAh, the battery is permanently monitored across all parameters by state-of-the-art components. The 3-step LED system gives an overview of the current charge level at all times. The rubber-coated housing offers high impact protection and a good grip.

Features & Benefits

- Maximum safety thanks to Einhell's proactive battery management
- Longer battery life due to situation-specific charging cycles
- Zero self-discharge thanks to high-quality lithium-ion cells
- Monitoring of all parameters by state-of-the-art components
- Charge level can be checked any time thanks to 3-step LED system
- Impact protection & good grip due to the rubber-coated housing
