Battery

18V 4,0 Ah Power-X-Change

Item No.: 4511396

Ident No.: 11028

Bar Code: 4006825610376

The Einhell 18 V 4.0 Ah li-ion rechargeable battery is part of the multifunctional and interchangeable PXC series from Einhell. The battery system can be used universally for all the products from the PXC system series. Max. safety is ensured by the proactive battery management system. The charging cycles are adjusted to the specific situation, so the battery has a much longer service life. All key parameters are constantly monitored by state-of-the-art components. The li-ion cells are resistant to the self-discharging normally associated with batteries. There is an integrated three-step LED charge status indicator. The rubber-coated housing provides excellent impact protection and integrated recessed handles enable ergonomic handling.

Features & Benefits

- Universal usability for all Power X-Change rechargeable devices
- Maximum safety thanks to Einhells proactive battery management
- Longer battery life due to situation-specific charging cycles
- Zero self-discharge thanks to high-quality lithium-ion cells
- Monitoring of all parameters by state-of-the-art components
- Charge level can be checked any time thanks to 3-step LED system
- Impact protection & good grip due to the rubber-coated housing
- Ergonomic handling thanks to optimized recessed handles

Technical Data

- DC voltage	18 V
- Battery capacity	4000 mAh
- Battery chemistry	Li-Ion
- Output current	50 A
- Number of accumulators	1 Pieces

Logistic Data

- Product weight (kg)	0.65
- Gross weight (kg)	0.69
- Dimensions single packaging	82 x 75 x 160 mm
- Pieces per export carton	24 Pieces
- Gross weight export carton	17.24 kg
- Dimensions export carton	345 x 270 x 265 mm
- Container quantity (20"/40"/40"HC)	27648 0 0
