

Einhell

ACCESSORY

Stationary Saw Accessory

MSS 1610

Item No.: 4310615

Ident No.: 11017

Bar Code: 4006825637496

This underframe from Einhell is a high quality aluminium construction, ideally for (sliding) mitre saws. Thanks to the extensions at the mounting brackets, also bigger machines as usually can be mounted (max. 455 mm). A height adjustable foot guarantees a stable stand, even on unflat undergrounds and there are ergonomic quick clamps for the feet fixations and also clever quick clamps for the side extensions, which are equipped with workpiece protecting rollers. At the front feet are two additional workpiece storage clamps and 2 further small boxes in the main table supplements this good equipped and high quality stand.

Features & Benefits

- Sturdy, high-grade Aluminum structure
- Ergonomic, lever-operated quick fasteners for fixing the legs
- Quick-release mechanism for the pull-out workpiece supports
- Handy boxes in a frame where small parts can be stored
- Height-adjustable foot for adjustment on uneven ground
- Practical workpiece trays on the legs for rapid access
- Easy-running wheels on the supports on both sides
- Extensions allow larger units to be assembled
- High and convenient working height (84.5cm upper edge of carrier)

Technical Data

- Size of mounting nut metric 8 mm
- Max. load 100 kg

Logistic Data

- Product weight 12.65 kg
- Gross weight single packaging 14.65 kg
- Dimensions single packaging 1200 x 245 x 215 mm
- Pieces per export carton 1 Pieces
- Gross weight export carton 14.65 kg
- Dimensions export carton 1200 x 245 x 215 mm
- Container quantity (20"/40"/40"HC) 380 | 800 | 930
