**Item No.: 4258237**

Ident No.: 11038

Bar Code: 4006825593242

The Einhell rotary hammer TC-RH 900 is equal to every challenge when performing home construction work – thanks to its three functions of drilling, impact drilling and chiseling with lock. For comfortable operation it has large soft grip surfaces. The pneumatic impact mechanism provides very good forward drive (900 watt / impact power of up to 4,000 strikes per minute). The additional handle has practical ribs for secure fastening. The infinitely adjustable drilling depth stop is made of solid metal. An overload safety stop provides enhanced user safety. The rotary hammer is equipped with a robust SDS-plus tool chuck and robust aluminium gear head. The product is supplied in a practical transport and storage case.
