Rotating Sander

TE-RS 40 E

Item No.: 4462000

Ident No.: 11012

Bar Code: 4006825590661

The eccentric sander TE-RS 40 E is a solid, powerful tool which provides good service to DIY enthusiasts on sanding jobs involving wood, plastic and metal. Thanks to the electronic speed control, the sanding power can be well adapted and is perfect suited for high sanding performance and fine-tuning tasks.

Features & Benefits

- Solid and powerful rotating sander for most diverse applications
- Double action (rotation+eccentricity); high sanding performance
- Perfectly suited for high abrasive sanding and fine-tuning
- Speed-electronics for material-compatible operation
- Easy change of sanding papers through micro hook and loop system
- Low vibrations through solid alu balancing within the housing
- Ergonomic grip areas with softgrip
- Removeable additional handle for well-balanced handling
- With active dust-extraction for a clean working area
- Filterbox collects sanding dust
- Maximum collection can be achieved by connecting a vacuum cleaner
- Delivery in convenient case
