HEATING

Bathroom Heater

BH 2000/1 H

Item No.: 2338561

Ident No.: 11018

Bar Code: 4006825639322

The Einhell BH 2000/1 H bath heater has a wall holder and can be run in three different heating modes (Comfort, ECO and frost protection) and with two heat settings (1,000 W/2,000 W), with a thermostat for convenient setting. For adjustment to individual requirements there is also a 24 h timer and a 7 day timer with an adjustable heating program. An LCD function display allows you to read the settings. To spread the air evenly there is a quiet fan. The integrated overheating protection ensures that safety is assured during operation and there is also a "Windows open" function. The towel holder helps bathroom textiles dry out quickly when hung up.

Features & Benefits
