Rotary Hammer

**TE-RH 28 5F**

**Item No.: 4257970**

Ident No.: 11016

Bar Code: 4006825622508

The Einhell rotary hammer TE-RH 28 5F combines 5 functions: Drilling or impact drilling, chiseling with & without lock, and screwdriving. The first gear offers high torque, the second gear gives a high speed propulsion. The pneumatic impact mechanism provides very good forward traction. There is a position switch for selecting all functions. Large soft grip surfaces provide a comfortable hold and the enclosed handle design protects the palms of the hands. For comfortable operation there is a continuous operation lock. The rotary hammer has a robust SDS-plus tool chuck, an adjustable drilling depth stop made of solid metal and an additional drill chuck for screwdriving & drilling. Supplied in transport and storage case E-Box.

## Features & Benefits

- 5 function: Drilling/impact drilling/chiseling w/wo lock/screwing
- 2-speed gearing: High torque in 1st gear, high speed in 2nd gear
- One position switch for all functions
- Large soft grip surfaces for pleasant working
- Enclosed handle design to protect the palms of the hands
- Continuous operation lock for pleasant & user-friendly working
- Pneumatic impact mechanism for very good forward traction
- Rugged SDS-plus chuck with auto-slip-in function
- Speed electronics for material and application suitable working
- Infinitely adjustable drilling depth stop made of solid metal
- Additional drill chuck for screwing and drilling
- Supplied in transport and storage case E-Box

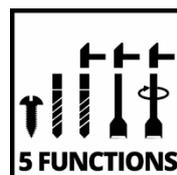

## Technical Data
