Petrol Tiller

GC-MT 2236

Item No.: 3431501

Ident No.: 11018

Bar Code: 4006825638066

The petrol hoe GC-MT 2236 is a powerful gardening tool for highly effective soil cultivation for each ambitious garden-lover. The one cylinder four-stroke engine with crank shaft with bilateral bearings provides a strong working performance and quiet running, whereby the robust choppers even grant a fast working progress of the rotary cultivator in firm soil. For the safe operation, the device is equipped with a chopper stop. The stable pivoted guide wheel cares for comfortable and effortless relocation, and due to ergonomical, height-adjustable guide handles, the hoe can be adjusted optimally to each customer's size.

Features & Benefits

- 4-stroke Einhell OHV engine with 1 cylinder
- Robust cultivator blades
- Height adjustable brake shoe
- Cultivator blade stopped by dead man's circuit
- Swiveling guide wheel
- Height adjustable steady grips
- Crank shaft mounted at two ends
