ACCESSORY

PXC-Starter-Kit

2x 3,0Ah & 30min PXC Kit

Item No.: 4512098

Ident No.: 11019

Bar Code: 4006825646986

The Einhell 18V 2x3.0Ah PXC Starter Kit is the ideal basis for starting or expanding the Power X-Change range in your home. A single rechargeable battery and a single charger for all tools not only saves significant costs of buying, universal use also helps protect the environment and provides flexibility. For high Power, long and sustained working time and to use 36 Volt devices two Batteries are included. The ABS process-controlled active battery management system ensures maximum safety, optimum tool performance, maximum operating time and a maximum service life. The high-speed charging technology means short charging times, and for optimum charging and maximum safety the battery is permanently monitored by a charging management system.

Features & Benefits

- Universal usability for all Power X-Change rechargeable devices:
- Saving money, protecting the environment, and flexibility
- Longer working time and more power with 2x 18V batteries (= 36V)
- Battery features:
 - The ABS process-controlled battery management system stands for
 - max. safety, optimum performance, operating time + lifetime
 - Freedom of cordless operation: No tangled cables and free working
 - High-quality Li-Ion cells means no memory effect,
 - low self-discharge and high, constant power
 - Current charge level indicated by 3-stage LED display
 - Trough handle for easy removal
 - Housing protected against dust, corrosion and mechanical damage
 - Suitable for TWIN-PACK use in power demanding 36V applications
- Charger features:
 - Extremely space-saving thanks to compact design
 - Quick-charge technology ensures short charging times
 - Permanent battery monitoring for optimum charging
 - Refresh mode allows deeply discharged batteries to be reactivated
 - Maximum safety due to intelligent charge management
 - Current information on 6-stage status LED display
 - Integrated suspension eyelets for user-friendly wall-mounting

Technical Data

- Mains supply charger	200-250 V 50-60 Hz
- Voltage output charger	20 V
- Charging time	1h
- Voltage	18 V
- Battery capacity	3 Ah
- Max. power	900 W
- Amount of batteries	2 Pieces

Logistic Data

- Product weight (kg)	1.01
- Gross weight (kg)	1.77
- Dimensions single packaging	235 x 85 x 192 mm
- Pieces per export carton	6 Pieces
- Gross weight of export carton	11.4 kg
- Dimensions export carton	305 x 255 x 325 mm
- Container quantity (20"/40"/40"HC)	6168 0 0
