Cordless Hot Glue Gun

TC-CG 3,6/1 Li

Item No.: 4522190

Ident No.: 11029

Bar Code: 4006825637854

The cordless hot glue gun TC-CG 3.6/1 Li offers cordless freedom on glueing tasks thanks to the 3.6 V lithium ion battery, and because of being compact it can be used with flexibility for every job. The ergonomic handle ensures a secure and firm hold for working without fatigue. The Anti-Drip-System keeps both the material and the work area clean. The TC-CG 3.6/1 Li is ready to use after only 30 seconds of heat-up time. The practical LED-indicator for heat and charge status lets you see the status of the product at a glance. For safety reasons the hot glue gun switches off after 5 minutes of inactivity. Included in the delivery are a charger and four glue sticks.

Features & Benefits

- Cordless glueing freedom thanks to the 3.6 V lithium ion battery
- Due to compact size usable for a wide range of glueing tasks
- Ergonomic handle for working without fatigue
- Safe and comfortable handling thanks to the soft grip
- Operational for glueing after only 30 seconds of warm-up time
- Handling of up to 6 glue sticks with one battery charge
- Automatic switch-off after 5 minutes of inactivity
- Practical LED- heat and charge level indicator
- Delivery in metal box incl. charger and 4 glue sticks
