**2,5 Ah Power X-Change  
Battery**

**Item No.: 4511516**

Ident No.: 11019

Bar Code: 4006825650518

The Einhell 18V 2,5 Ah Power X-Change Battery is a rechargeable battery which is designed for universal use in the entire PXC product family. A single rechargeable battery and charger for all tools saves significant costs of buying, and universal use also helps protect the environment and provides flexibility at the same time. The ABS process-controlled active battery management system ensures max. safety, optimum tool performance, maximum operating time and a maximum service life. The high-quality rechargeable battery resists the memory effect and self-discharge. The current charge level can be checked on a 3-step LED display. There is a trough handle to enable the battery to be removed from each tool with ease.

## Features & Benefits

- Universal usability for all Power X-Change rechargeable devices:
- Saving money, protecting the environment, and flexibility
- The ABS process-controlled battery management system stands for
- max. safety, optimum performance, operating time + lifetime
- Freedom of cordless operation: No tangled cables and free working
- High-quality Li-Ion cells means no memory effect,
- low self-discharge and high, constant power
- Current charge level indicated by 3-stage LED display
- Trough handle for easy removal
- Housing protected against dust, corrosion and mechanical damage
- Suitable for TWIN-PACK use in power demanding 36V applications

## Technical Data

- |                       |          |
|-----------------------|----------|
| - Voltage             | 18 V     |
| - Battery capacity    | 2.5 Ah   |
| - Max. power          | 720 W    |
| - Amount of batteries | 1 Pieces |

## Logistic Data

- |                                      |                    |
