

Einhell

ACCESSORY

Battery

18V 5,2 Ah P-X-C Plus

Item No.: 4511437

Ident No.: 21030

Bar Code: 4006825616606

The Einhell 18V 5.2 Ah PXC PLUS is a rechargeable battery which is designed for universal use in the entire PXC product family. A single rechargeable battery and a single charger for all tools saves significant costs of buying, and universal use also helps protect the environment and provides flexibility at the same time. The ABS process-controlled active battery management system ensures max. safety, optimum tool performance, max. operating time + max. service life. The high-quality rechargeable battery resists the memory effect and self-discharge. Rubber coating for high impact protection. There is a trough handle to enable the battery to be removed from each tool with ease.

Features & Benefits

- Universal usability for all Power X-Change rechargeable devices:
- Saving money, protecting the environment, and flexibility
- PLUS-technology: extra power for intensive operation
- The ABS process-controlled battery management system stands for
- max. safety, optimum performance, operating time + lifetime
- Freedom of cordless operation: No tangled cables and free working
- High-quality Li-Ion cells means no memory effect,
- low self-discharge and high, constant power
- Current charge level indicated by 3-stage LED display
- Impact protection and good grip thanks to rubber-coated housing
- Trough handle for easy removal
- Housing protected against dust, corrosion and mechanical damage
- Suitable for TWIN-PACK use in power demanding 36V applications

Technical Data

- Voltage	18 V
- Battery capacity	5200 mAh
- Max. power	1260 W
- Amount of batteries	1 Pieces

Logistic Data

- Product weight (kg)	0.88
- Gross weight (kg)	0.9305
- Dimensions single packaging	82 x 82 x 165 mm
- Pieces per export carton	16 Pieces
- Gross weight export carton	15.65 kg
- Dimensions export carton	355 x 280 x 210 mm
- Container quantity (20"/40"/40"HC)	21456 0 0
