Bench Drill

TE-BD 550 E

Item No.: 4250690

Ident No.: 11017

Bar Code: 4006825634778

The Einhell TE-BD 550 E pillar drill puts the focus on safety and precision. The speed can be regulated infinitely without the use of tools, and the LCD always displays the current speed. Configured with a high-quality quick-change chuck (0-13 mm), the pillar drill offers even more flexibility. The induction motor is designed for quiet operation, while the ability to adjust the height of the drill table and tilt and swivel it makes working with more pleasant. The adjustable depth stop enables precise drilling even in series production. The spindle with ball bearings ensures long-lasting operation. High user safety is assured by a folding chip guard with microswitch.

Features & Benefits

- Infinitely adjustable speed control, adjustment without tools
- LCD display for showing the current speed
- High quality keyless chuck 0 - 13 mm
- Smooth-running and quiet induction motor
- Height-adjustable drill table with tilt & swivel function
- Spindle protection opens to the side for easy drill changings
- Safety spindle protection with micro switch for usersafety
- Easy adjustable depth stop for precise drillings also in series

Technical Data

- Mains supply	230-240 V 50 Hz
- Power	450 W
- Max. power (S2 S2time)	550 W 15 min
- Spindle speed	450 - 2500 min ⁻¹
- Number of speed steps	Continuously
- Drill table tiltable	-45 ° - +45 °
- Drill chuck mount	B16
- Drill diameter	0 - 13 mm
- Throat	115 mm
- Max. drilling depth	60 mm

Logistic Data

- Product weight	21.2 kg
- Gross weight single packaging	24 kg
- Dimensions single packaging	315 x 465 x 535 mm
- Pieces per export carton	1 Pieces
- Gross weight export carton	24 kg
- Dimensions export carton	536 x 465 x 315 mm
- Container quantity (20"/40"/40"HC)	336 700 0
