Electric Silent Shredder

GC-RS 60 CB

Item No.: 3430635

Ident No.: 11019

Bar Code: 4006825645880

The GC-RS 2845 CB electric silent shredder is a robust and extremely powerful tool for the quiet shredding of thick materials such as branches as well as tree cuttings, hedge cuttings and garden waste at a high rate of throughput. Thanks to automatic feed shredding is even more efficient. Its long-lasting cutter drum powerfully draws the material into the large funnel opening. For easy and user-friendly transportation there is a robust chassis with wheels and a practical transport handle.

Features & Benefits

- Cutter drum for quiet, efficient shredding
- Large funnel opening and automatic infeed speeds of shredding
- Rotational direction switch for releasing blockages
- Robust chassis with wheels enables flexible application
- Transparent, sturdy collection box for the cuttings
- Integrated safety switch on the debris box for shredded material
- Practical handle for easy transport in the garden
