Electric Hoist

**TC-EH 1000**

**Item No.: 2255160**

Ident No.: 11029

Bar Code: 4006825627602

The Einhell TC-EH 1000 cable winch is a powerful helper designed with particular emphasis on safety. For extra safety while working there is an operator switch with emergency stop function, a safety catch on the load hook, an automatic limit cut-out for the equipment, and an automatic brake which secures the load in every position. Thanks to the 18 meter twist-free wire cable (Ø 6 mm), loads up to 500 kg can be lifted to heights up to 18 m without the use of the guide roller (with guide roller: 999 kg/lifting height 9 m). The powerful 1,600 W drive delivers lifting speeds of 8 or 4 m per minute. The motor with thermostatic switch contributes to a long service life. Thanks to the two double clamps, the equipment is easy to mount.

## Features & Benefits

- Extra-long, over 18 m twist-free wire cable (Ø 6 mm)
- The guide roller with load hook doubles the maximum load weight
- Operator switch with emergency stop function for extra safety
- The motor with thermo switch contributes to a long service life
- The safety catch on the hook ensures the load is lifted safely
- An automatic brake secures the load in every position
- The equipment is fitted with an automatic limit cut-out
- For easy mounting the equipment comes with two double clamps

## Technical Data

- |  |                   |
|--|-------------------|
| - Mains supply                         | 220-240 V   50 Hz |
| - Max. power (S3   S3%)                | 1600 W   25 %     |
| - Payload without return pulley        | 500 kg            |
| - Payload with return pulley           | 999 kg            |
| - Lifting height without return pulley | 18 m              |
| - Lifting height with return pulley    | 9 m               |
| - Hoisting speed without return pulley | 8 m/min           |
| - Hoisting speed with return pulley    | 4 m/min           |
