Power Generator (Petrol)

TC-IG 2000

Item No.: 4152590

Ident No.: 21010

Bar Code: 4006825652413

The TC-IG 2000 Einhell generator (petrol) from Einhell is ideal wherever electricity needs to be generated independently of the mains supply. The generator is driven by a powerful, rugged and low-emission 4-stroke motor with inverter technology, thus providing power without voltage peaks. This means that even sensitive items of equipment can be powered. Electricity is supplied via two 230 V sockets. The generator also has 2 USB connectors. An enclosed design ensures quiet operation. In addition the generator is protected by an overload switch and a low-oil cut-out. Starting could not be easier thanks to an actuator cable, and for easy transportation there is a carry-handle.

Features & Benefits

- Inverter technology - for power without voltage peaks
- Powerful, rugged and low-emission 4-stroke drive motor
- 2 x 230 V socket/50 Hz
- 2 x USB port
- Covered housing for silent operation
- Sturdy legs for safe operation
- Overload cut-out and low oil cut-out
- Easy to use actuator cable for starting
- Carrying handle for easy transport

Technical Data

- Type of generator	Synchronous - with Inverter
- Frequency	50 Hz
- Continuous power (S1) at 230 V	1800 W
- Power (S2 S2time) at 230 V	2000 W 5 min
- Nominal current at 230 V	7.8 A
- 230 V socket	2 Pieces
- Engine	four-stroke, air cooled
- Number of cylinders	1 Pieces
- Engine displacement	105.6 cm ³
- Engine speed	4500 min ⁻¹
- Max. engine power	2.4 kW
- Fuel	Petrol (unleaded) / E10
- Capacity of fuel tank	4 L
- Running time with 2/3 load	5.3 h
- Sound power level LWA	95 dB (A)

Logistic Data

- Product weight	21.6 kg
- Gross weight single packaging	24.3 kg
- Dimensions single packaging	585 x 380 x 520 mm
- Pieces per export carton	1 Pieces
- Gross weight export carton	24.3 kg
- Dimensions export carton	592 x 375 x 515 mm
- Container quantity (20"/40"/40"HC)	229 460 600
