The Einhell TE-CB 18/180 Li – Solo cordless blower is a versatile tool for use on the building site and in the workshop. As a member of the Power-X-Change family, the cordless blower offers high performance and flexibility: All rechargeable batteries from the Power X-Change series are completely interchangeable for unlimited flexibility. You can forget about tripping over power cables. A powerful airflow up to 180 kph blows interfering dust and chips away. There are 3 different blowing adapters to enable many different applications. The soft grip makes it comfortable to operate. Two speed settings ensure that the tool can be adjusted to each particular application. It comes without a battery or charger. These are available separately.
