The Einhell cordless pole hedge trimmer belongs to the PXC system series from Einhell. The blades on the pole hedge trimmer are made of laser-cut and diamond-ground steel, flexibility is owed to a motor head with 7 tilt settings and a swiveling main handle. There is an additional rubberized holding area that provides a firm and secure grip, as well as a harness that also promotes ergonomic handling. The robust metal gearing is designed for a long service life. This pole hedge trimmer comes with an extension pole so that it can also be used on higher hedges. A sturdy cutter guard is supplied for safe storage and easy transport. It comes without a battery and without a charger; these items are available separately, e.g. as a starter set.
