Garden Pump

GC-GP 6040 ECO

Item No.: 4180320

Ident No.: 11018

Bar Code: 4006825637250

The Einhell GC-GP 6040 garden pump has ECO Power Technology to provide a high delivery rate using less electricity: With a 600 W power rating the garden pump delivers up to 4,000 l of clean water per hour. For easy transport and storage there is a foldable handle. There is an On/Off switch for activating the garden pump. The pump has a water filler opening and a practical water filling indicator. Residual water can be completely emptied out through the water drain screw, so that the pump is protected from frost when stowed away. A thermal cut-out protects the pump against overload damage during use. The garden pump also has high-quality mechanical seals.
