Grid Foam Set

Item No.: 4540013

Ident No.: 21021

Bar Code: 4006825656749

The Einhell grid foam is applicable for the entire Einhell E-case system. It is primarily used for the storage of sensitive equipment such as cameras or measuring instruments. The grid foam set offers the advantage, that it can be individually and precisely adjusted to the shape you need due to the small-scaled grid. The pre-cut grid allows for easy fitting by hand, as it can be easily torn out by hand.

Features & Benefits

- Applicable for the Einhell E-Case System
- individual+precise adjustment possible thanks to small-scale grid
- Storage of sensitive equipment like cameras or measuring devices
- Pre-cut grid allows easy adjustment by hand
- Includes 1x adjustable raster foam insert
