## Demolition Hammer

### TE-DH 12

Item No.: 4139100

Ident No.: 11028

Bar Code: 4006825625219

The Einhell TE-DH 12 demolition hammer is a light and easy to handle helper for building, renovation and demolition jobs when performing home construction work. A power rating of 1,050 W and a blow rate of 4,100 make it a powerful tool which is also ready for immediate action thanks to the supplied pointed chisel and flat chisel. It therefore breaks the resistance of walls, surfaces or wall coverings with ease. The vibration-absorbing handle reduces vibration and the adjustable additional handle ensures that the user feels comfortable while working. The demolition hammer is equipped with a rugged SDS-max tool chuck. For connecting to the power supply, it has a robust four meter rubber cable. Supplied in transport and storage case E-Box.
