ACCESSORY

Battery

18V 4,0Ah Power X-Change 1

Item No.: 4511396

Ident No.: 11039

Bar Code: 4006825610376

The Einhell 18V 4.0 Ah PXC is a rechargeable battery which is designed for universal use in the entire PXC product family. A single rechargeable battery and a single charger for all tools saves significant costs of buying, and universal use also helps protect the environment and provides flexibility at the same time. The ABS process-controlled active battery management system ensures max. safety, optimum tool performance, max. operating time + max. service life. The high-quality rechargeable battery resists the memory effect and self-discharge. The housing is rubberized for high impact protection and grip. There is a trough handle to enable it to be removed from each tool with ease.

Features & Benefits

- Universal usability for all Power X-Change rechargeable devices:
- Saving money, protecting the environment, and flexibility
- The ABS process-controlled battery management system stands for
- max. safety, optimum performance, operating time + lifetime
- Freedom of cordless operation: No tangled cables and free working
- High-quality Li-Ion cells means no memory effect,
- low self-discharge and high, constant power
- Current charge level indicated by 3-stage LED display
- Impact protection and good grip thanks to rubber-coated housing
- Trough handle for easy removal
- Housing protected against dust, corrosion and mechanical damage
- Suitable for TWIN-PACK use in power demanding 36V applications
