Ident No.: 21011

Bar Code: 4006825660739

The Einhell ash vacuum cleaner TC-AV 1718 D gets rid of piles of cold ash with equal resolve from fireplaces, pellet ovens and barbecues. For user comfort there is an 18-liter collection container and a practical carrying handle. Neither fine dust nor ash have a chance to escape thanks to a pleated filter. An additional pre-filter enhances filtration even further and also prevents a fast blockage of the pleated filter. Emptying the ash container is easy thanks to quick-release fasteners. When not in use, the power cable is stored with a cable tie. Also practical is being able to use the blowing function simply by shifting the hose to the air outlet. Delivery includes a metal-reinforced suction hose and an aluminum suction tube.
