EXPERT

Wall Liner

TE-MA 1500

Item No.: 4350735

Ident No.: 21010

Bar Code: 4006825659139

Designed to produce accurate cuts, the Einhell TE-MA 1500 masonry channel cutter features flexible cutting width adjustment for narrow and wide channels, infinitely variable adjustment of the cutting depth, and a spindle lock and cutting wheel position marker for precision cuts. An overload cut-out, Softstart, drag cutting, large handle-bar, guide roller and additional handle are all features contributing to safety during operation. Thanks to an extractor adapter, this masonry channel is also compatible with Einhell wet & dry vacs. A large radius of action is guaranteed by the four-meter long cable. Delivery includes a storage case for clean and safe transport, and there are also two diamond cutting wheels.

Features & Benefits

- Very powerful motor for best cutter results
- For making accurate cuts or channels in masonry or similar
- Easy and safe operation thanks to large handle
- Extractor adapter for compatibility with Einhell vacuum cleaners
- Infinitely variable cutting depth setting enables max flexibility
- Flexible cutting width adjustment for narrow and wide channels
- Safe operation thanks to Softstart and drag cutting
- Marking of cutting wheel position enables precise cuts
- Spindle lock for easy tool change
- Guide roller and additional handle for comfortable operation
- Overload cut-out for a long service life and user protection
- Large range of motion thanks to 4 m cable
- Delivery includes a storage bag for clean and safe transport
- Incl. 2 diamond cutting wheels so you can get started right away
