POWER X-CHANGE

Battery Belt

GE-PB 36/18 Li

Item No.: 3408310

Ident No.: 21010

Bar Code: 4006825659580

By letting you carry the battery directly on your body, the Einhell GE-PB 36/18 Li battery belt reduces the effective weight of the Einhell cordless tool. Robust in design, the battery belt features a padded hip belt for optimum comfort, making it less tiring to work with cordless tools. This multifunction member of the Power X-Change family is suitable for 36 V and 18 V tools, whereby the second battery pocket is easy to remove when 18 V operation is sufficient. A welcome aid during complex jobs in tight spaces is the additional cable hook: Fastening the cables to the practical hook could not be easier. Thanks to the large buckle, opening the belt is simple and takes only an instant.

Features & Benefits

- Member of the Power X-Change family
- Multifunctional – for 36 V appliances and 18 V appliances
- Carrying the battery on your body reduces the weight
- Padded hip belt for optimum comfort
- Large buckle for easy opening and closing
- An additional cable hook is practical for hanging up the cable
- For 18 V mode simply remove the second battery pocket
