EXPERT

Multi-Sander

TE-OS 1320

Item No.: 4460560

Ident No.: 21041

Bar Code: 4006825573169

The Einhell TE-OS 1320 multiple grinder/sander is a practical allrounder that helps you give the right finishing touch. While the grip area was modeled on the palm of a hand to promote efficiency and functionality, the Softgrip contributes to optimum handling. This multiple grinder/sander is small, compact and handy. It can be flexibly used for grinding and sanding in corners and tight spaces, with abrasive paper that is easy to replace without any folds. Hook-and-loop fastening is used in this case. An active dust extractor keeps the work area and surroundings clean. A filter box collects the dust from the grinding/sanding. It is equipped with a dust extractor adapter. Delivery includes 3 pieces of abrasive paper (P120).

Features & Benefits

- Grip area with Softgrip modeled on the palm of a hand
- Small, compact and easy to handle
- Flexible in use for sanding corners and small surfaces
- Hook-and-loop fastening for easy fitting of the abrasive paper
- Active dust extraction for a clean work area
- Filter box for sanding dust
- Includes a dust extractor adapter
- Complete with 3 abrasive papers (P120)
